

Lina Rincon
STUDIO

I prioritize meeting my customers' needs and welcome collaborative projects. If you have a particular idea in mind, please share it with us, and we will turn it into reality.

All items in this catalog are custom-made upon order. The prices listed are estimates and the objects may have slight variations due to their unique handmade nature.

My work is influenced by South
American and Scandinavian aesthetics,
valuing simplicity and craftsmanship.

I prioritize sustainable design.
My aim is to create products
that are built to last, cherished,
and passed down through
generations.
I value quality over quantity,
and take pride in the artisans
I collaborate with and the
materials we use.

LR
